Caleb: Just wrapped up her booksigning.
Caleb: "Book-signing"?
Caleb: You missed it, bro.
me: no, I was there
me: she got upset and left when people asked her to sign the book
me: AHAHAHAHA
Caleb: "Just got out of a lively & fun book signing in Dallas. Great discussion about the debt ceiling with some people who don't agree with us."
Caleb: "In the end we agreed to disagree and it was really very civil, a great discussion... Now, about Iowa..."
